Fees and payments:
We make every effort to keep down the cost of your care. You can help by paying upon completion of each visit. Arrangements can be made depending upon special circumstances. An estimate of the charge for any procedure will be given to you upon your request. If you have any dental insurance we will be glad to fill out the proper forms and submit the claim. Please remember that insurance is considered a method of reimbursing the patient for fees paid to the doctor and is not a substitute for payment. It is your responsibility to pay any deductible amount, co-insurance or any other balance not paid for by your insurance company.
